To whom it may concern,

I would love to work in your store because I would like a job that is enjoyable and surrounded by happiness. I have always had a good time while I have been at your store. When I saw that your store had a job opening, I knew that this was my opportunity. Being a part of this company would be great for me and my loved ones.

I am a student at White Oak High School and I am a part of the band as a clarinet player and I am also on the auxiliary line. Tennis is also a hobby I have a lot of interest in. I am also part of my school's FCA (Fellowship of Christian Athletes) program. Since I am only in high school, I have not had much work experience but, I babysit every once in a while, have done a few community service projects, and many school group projects. For the most part I like to work with people and be involved. I can bring leadership and hard work to your store.

I would like this job because I have a few trips coming up this summer and I would like to have some spending money. I would not only want the job for that reason, I would also like a job that could challenge me. If we could meet and talk about the job, that would be very much appreciated. I can meet anytime on weekends, and later in the day on weekdays. You can reach me at 903-345-6789 or at kpul654l@gmail.com. Or if it is more convenient, I could call you. Thank You.

Sincerely,

Kate Pullen
